

Portable Humidifiers for Small Spaces

The *Robert* Humidifier

Excellent quality Swiss-made design.

This easy-to-use and slim-line small humidifier makes it ideal for art stores, offices, domestic art collectors, conservation studios & libraries.

No installation necessary, simply fill tank with water, plug in and turn-on!

The digital electronic humidity setting is calibrated by Novatron Scientific against a Traceable hygrometer to ensure accuracy of +/- 3% relative humidity on the set point.

Annual maintenance only recommended, no consumable filters needed.
